

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF TEXAS
DALLAS DIVISION

UNITED STATES OF AMERICA

v.

RUEL M. HAMILTON

CRIMINAL NO. 3:19-CR-083-M

**GOVERNMENT'S WRITTEN STATEMENT
PURSUANT TO PRETRIAL ORDER**

The government files this written statement pursuant to the Court's pretrial order, specifically paragraph 7(e).

1. Estimated Length of Trial

The government previously informed the Court that it estimates that its case-in-chief, subject to reasonable cross-examination by the defense, will last five trial days. That estimate remains valid.

2. Plea Negotiations

While the parties have in good faith discussed the potential of a plea agreement at earlier points in the case, the parties are not currently in active plea negotiations and they do not anticipate this case being resolved by plea bargain.

3. Scheduling Issues

The government has no scheduling issues to raise with the Court at this time.

4. Additional Matters

The government has in its possession the Presentence Investigation Report for Carolyn Davis in this case and the Presentence Investigation Report and Addendum for

Dwaine Caraway in the Dallas County Schools case (also in this Court). At the pretrial conference, the government will seek permission to allow defense counsel to review these reports to the extent that they implicate the government's discovery obligations.

Respectfully submitted,

ERIN NEALY COX
United States Attorney
